DECLARATION OF NO NEW MATTER, AS PER 37 CFR 1.67(b)

I hereby declare that the preliminary amendment to the patent application identified above, and submitted along with this declaration, does not contain any new matter. The material included in this amendment of the drawings and the specification consists of material already contained in the description of the drawings in the specification of the patent application as originally filed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Very truly yours,

Charles R. Schweppe
